ANNUAL REPORT OF THE MEDICAL OFFICER OF HEALTH FOR  
THE SCALBY URBAN DISTRICT COUNCIL FOR THE YEAR  
ENDED 31st DECEMBER 1958.

To the Chairman and Members of the  
Scalby Urban District Council.

Mr. Chairman, Mrs. Needham and Gentlemen,

My Report for 1958 bears many similarities with that of the previous year.

Once again the population has increased and again this is due to immigration and not to a natural increase, although the number of births has, in fact, gone up.

The other vital statistics are generally satisfactory although the incidence of measles was unusually high even for an epidemic year. One unsatisfactory feature is the incidence of tuberculosis. Having been free of notifications for 1957, four cases were notified last year.

I must again acknowledge gratefully the help of Mr. Horn and the other officials of the Council and the continued interest and support of the Committee.

I am,

Mr. Chairman, Mrs. Needham and Gentlemen,

Your obedient servant,

W.G. EVANS  
M.A., M.B., B.Chir., M.R.C.S., L.R.C.P., D.P.H.  
Medical Officer of Health.

The following Committees of the Scalby Urban District Council are concerned with matters of public health, viz:-

The Sanitary and Lighting Committee  
The Water Committee  
In addition the Authority has a representative on the Scarborough Area Local Health Sub-Committee (No. 10 Area of the North Riding of Yorkshire County Council).

VITAL STATISTICS

Population

The mid-year population estimated by the Registrar-General at 6,580 shows an increase of 110 compared with 1957.

Births

A total of 83 Live and Still-births gave a birth-rate (adjusted) of 14.02 per 1,000 population. The rate for England and Wales is 16.4.

<u>Live Births</u>	<u>Male</u>	<u>Female</u>	<u>Total</u>

National Assistance Act 1948 (Sections 47 and 50)

It was not necessary to resort to section 47 of this Act which deals with the compulsory removal to hospital or other suitable premises of persons in need of care and attention within the meaning of the section, nor under section 50 was the Council called upon to arrange for the burial of any person for whom no other arrangements for burial had been or were being made by any other persons.

I am indebted to Mr. Horn, Public Health Inspector and Surveyor, for the following information:-

## HOUSING

Numbers completed by Local Authority	1946-54	288 houses	4 shops
Numbers completed by Private Enterprise	1946-57	256 houses	
Numbers completed by Private Enterprise	1958	54 houses and 4 flats (in one block)	
Numbers completed by Scarborough Corporation	1955-57	32 houses and flats	
Numbers completed by Scarborough Corporation	1958	14 (one bedroom flats)	
Numbers completed by North Riding Standing Joint Committee	1956-57	4 houses	
Numbers completed by North Riding Standing Joint Committee	1958	1 house	

In the year under review 54 houses and 4 flats were erected by private enterprise, 14 one bedroom flats for Scarborough Corporation and 1 police house for the North Riding Standing Joint Committee. No further development on Highfield Estate took place. A scheme however has been drawn up to provide 22 one bedroom bungalows for the aged together with a Warden's house

## WATER SUPPLY

Systematic collection of samples for bacteriological examination and chemical analysis took place during the year, and without exception revealed the water obtained from Scalby Nabs Borehole continues to be of first class quality. The supply also continues to be adequate to meet the growing demands of the district.

Bulk water supply to the Parishes of Ravenscar, Staintondale and Hayburn Wyke, within the Rural District of Scarborough, continue to be served from the Scalby Water Supply.

### Typical Routine Bacteriological Report

These waters are of good organic purity.

104 samples were taken for Chemical Analysis, the major number of which were for the detection of iron as Fe and Manganese.

It was found necessary to extend the existing water mains as follows:-  
80 yards lin. 3" main to serve new estate development (Coldyhill Crescent).

#### FOOD HYGIENE

We are fortunate within the Urban District in as much as we enjoy the co-operation of the Tradespeople. Sixty visits were made under the Shops Acts and no unsatisfactory conditions were found.

#### CAMPING SITES

The permanent caravan site at Highmill Farm is still licensed for ten caravans, and permission from Town Planning was granted for twelve months to three temporary caravan sites, each containing one caravan only.

Two camping sites at Wrea Head, under the auspices of the North Riding Education Committee and a Youth Organisation were again authorised and efficiently maintained.

Thirty visits to sites were made during the year and conditions were found to be satisfactory.

### SANITARY CONDITIONS

#### REFUSE COLLECTION

The Urban District is completely served by a Refuse Collection Department and a weekly collection was maintained. Farms in the outlying district were served at fortnightly intervals and more frequently when necessary.

#### SALVAGE COLLECTION

We collected and disposed of 86 tons of waste paper during the year and quantities of rags and scrap metal were disposed of.

#### PUBLIC HEALTH ACT 1936

100 nuisance inspections were made 60 of which required abatement but no statutory notices required to be served.

#### RODENT CONTROL

Recommended methods and treatment to combat rodent infestation were again observed throughout the Urban Area, in accordance with Ministry instructions.

There were 311 surveys carried out during the year and 23 treatments were effected with satisfactory results.

The sewerage system within the district was test baited and the results revealed an absence of infestation.

#### VOLUNTARY SURRENDER OF FOOD

The following list of food was voluntarily surrendered during the year:-

2 x 6lb tins Corned Beef  
1 x 14lb tin Boiled Ham  
1 x 6lb tin Boiled Ham  
3 x 4lb tin Luncheon Meat  
3 dozen Eggs.

#### MEAT INSPECTION

There remain three private Slaughterhouses within the District and 340 visits were made, resulting in the voluntary surrender of  $6\frac{1}{2}$  cwts. of meat and offal.

#### MILK LICENCES

Dealers and Supplementary Licences authorising the sale of Designated Milk were issued as follows:-

#### FARMS

The twenty farms within the Urban District were visited.

#### STREETS

Notices under Section 150 of the Public Health Act 1875 were served on Frontagers in respect to the following:-

Fieldstead Crescent, northerly junction with Scalby Road  
Fieldstead Crescent, southerly junction with Scalby Road

A further street (Fairfield Crescent) was paved, metalled and drained by the Urban Council on behalf of the Developer, C.R. Coates Limited.

#### HOUSING ACTS

The Urban District comprises comparatively new development and no serious Slum Clearance problem exists.

Fourteen houses were earmarked for action as 'individually Unfit', six

of which have been dealt with as follows:- two houses converted into one modern house; one house demolished and one house converted into a private garage; two back-to-back houses converted into one modern house.

150 house were inspected, 100 of which were found satisfactory in all respects. Of the balance 31 houses required structural alteration and 11 were merely for minor repairs which were dealt with.

14 applications were received for Improvement Grants, 11 of which were granted.

#### MORTUARY

The Scalby Urban District Council has provided a Mortuary and Chapel of Rest situated within the Highway Depot, Moor Lane.

#### CLEAN FOOD REGULATIONS

Regular and systematic inspections of all shop premises have been carried out and remedial measures adopted where necessary.

#### SEWERS

The entire district, with the exception of outlying parts, is served by main sewers with gravitational outfall.

180 yards lin. of 6" private sewers were provided to serve Building Development.
